

DANISH SAFETY TECHNOLOGY AUTHORITY

Standard System Engineering Denmark, Filial af Standard System Engineering
SRL, Italien
H.C. Andersens Boulevard 37
1553 København V

Dear Standard System Engineering Denmark,

Your application has been approved.

You have been granted authorisation as electrical contractor company and you are entitled to perform business in Denmark.

Your authorisation number is **EFUL-13380** and the technically responsible person of the company is **Jens Brüche Hansen**.

The authorisation is valid as of today.

The authorisation entitles your company to carry out heavy current electrical installations and installation of non-heavy current control and regulation systems used to control heavy current functions and the servicing of these installations and systems.
